VACANCY ANNOUNCEMENT

The Directorate of Research and Extension (DoREX), Agriculture and Forestry University (AFU), has been implementing a project entitled "Nepal Hybrid Rice South Agricultural Science and Technology Park" in collaboration with the Chongqing Academy of Agricultural Science (CAAS), Peoples Republic of China. The major project activities include field trials, varietal screening, farmers' training, and grain quality assessment of rice varieties. The DoREX/AFU invites applications from eligible and qualified Nepali citizens who completed graduate studies from Agriculture and Forestry University (AFU) and who are committed and have the ability to deliver results with the highest integrity for the following position.

Required position: Research Assistant

Duration: July-December 2026

Work station: Agronomy Farm, Rampur, Chitwan

Project info: Nepal Hybrid Rice South Agricultural Science and Technology Park

Key responsibilities: data recording, farmer mobilization, field trial planning, periodic report submission, and project team coordination.

Benefits: As per the project norms

Required qualifications and skills

- Bachelor's degree in Agriculture (BSc. Ag), preferably with a Master's Degree in Agronomy/Plant Breeding.
- Knowledge on rice variety screening trials, field trials, agro-morphological characterization, and grain quality assessment with a strong commitment in field tasks.
- Skills in laboratory work.
- Preference will be given to the candidate having research experience, data management, and report-writing skills.
- Strong management skills for maintaining documentation of the project progress.
- Good writing and communication skills, both in English and Nepali.

Interested candidates who meet the above-mentioned criteria are requested to submit their application along with a motivation letter, curriculum vitae, and scanned copies of academic certificates via email at vacancy.dorex@afu.edu.np. Only shortlisted candidates will be contacted for participation in the recruitment process. No telephone inquiries will be entertained.

Application deadline: June 12, 2026
